3 *Month* 4. 1739. P. M.

THE Houſe reſumed the Conſideration of the Paper-Money Bill:

Ordered,

That *John Kinſey*, *John Kearſley*, *Thomas Marriot*, *James Gibbins* and *Samuel Smith*, wait upon the Governor with the Bill for Re-printing, Exchanging and Re-emitting all the Bills of Credit of this Province, and for ſtriking the farther Sum of 11,110 *l.* 5 *s.* to be emitted upon Loan; and acquaint him, that the Houſe have taken the ſame again into Conſideration; and that, as at the End of the Conference held with the Governor laſt Sitting, the Houſe did hope, that the Proprietor, upon a favourable Repreſentation of the Affair by the Governor, would be pleaſed to allow him to diſpence with his Inſtruction, and agree to the Bill without the Amendment relating to the Quit-Rents, &c. ſo they now wait upon him by Order of the Houſe, to know if he finds himſelf at Liberty at this time to recede from the ſaid Amendment.

3 *Mon.* 5. A. M.

A Meſſage from the Governor by his Secretary, "That his Honour had received no Power from the Proprietors to recede from the Inſtruction relating to Paper-Money Bills; nor was his own Judgment alter'd by any Reaſons given by the Houſe at laſt Meeting; and that, if the Houſe cannot agree to the Amendment then propoſed to their Bill, it lies upon them to propoſe ſuch Expedients, at leaſt, as may give the Proprietors juſt and ample Satisfaction in the Matter of their Quit-Rents." And therewith the Secretary delivered the Bill again to the Houſe.

Reſolved, That the Houſe will take the Governor's Meſſage into Conſideration next Third Day in the Morning.

3 *Mon.* 8. A. M.

The Houſe, according to the Order of the Day, took into Conſideration the Governor's Meſſage; and after a conſiderable Debate thereupon, *Reſolved*,

That the Houſe will, this Afternoon, enter on the Conſideration of ſome Expedient relating to the Proprietary Quit-Rents, in Order to obtain the paſſing the Paper-Money Bill.

Eodem die, P. M.

The Houſe took into Conſideration ſeveral Expedients propoſed relating to the Proprietor's Quit-Rents, in Order to procure the Paſſing the Paper-Money Bill; and after a long Debate, the further Conſideration thereof was adjourn'd to to-morrow Morning.

3 *Mo.* 9. A. M.

The Houſe reſumed the Conſideration of the Expedients propoſed for Procuring the Paſſing of the Paper-Money Bill.

Reſolved, That this Houſe will make the Proprietors an Allowance (ſuch as ſhall hereafter be agreed upon by the Houſe) in Conſideration of their accepting our Bills of Credit inſtead of Silver Money. *Reſolved*, N. C. D.

That the Names of the Members who voted to the Affirmative and Negative of the foregoing Reſolve, be printed & diſtinguiſhed in the Minutes. And they are as follows, *viz.*

For the Affirmative. *William Monington*, *Thomas Leech*, *William Allen*, *Job Goodſonn*, *Jonathan Robeſon*, *Morris Morris*, *John Kearſley*, *Iſrael Pemberton*, *Jeremiah Langhorne*, *Joſeph Kirkbride*, *Abraham Chapman*, *Benjamin Field*, *Thomas Mariott*, *Thomas Canby*, *James Hamilton*, *Samuel Smith*, *John Wright*.

For the Negative. *Edward Warner*, *John Watſon*, *James Gibbins*, *Thomas Chandler*, *Joſeph Harvey*, *John Owen*, *Thomas Tatnal*, *William Hewes*, *Jeremiah Star*.

Eodem die, P. M.

The Houſe reſum'd the Conſideration of the Paper-Money Bill, and the Governor's Meſſage thereupon; and after a conſiderable Debate, the Queſtion was put,

That the Allowance to be made to the Proprietors, be 130 *l.* *per annum* for Ten Years, and 1500 *l.* to be paid in a ſhort Time. *Paſſed in the Negative.* *Reſolved*,

That the Sum be 1200 *l* to be paid in a ſhort time, and 130 *l.* *per annum* for Ten Years, in Conſideration that They will during that Term accept Paper-Money, as made Current by the Law of this Province, inſtead of Silver, for their Quit-Rents.

3 *Month* 10. P. M.

Ordered, That *Joſeph Kirkbride* and *James Hamilton* wait upon the Governor with the following Meſſage, *viz.*

May it pleaſe the Governor,

THE Houſe having taken the Governor's Meſſage of the 5th Inſtant into Conſideration, find themſelves under a very great Difficulty, by the Governor's Demand in Favour of our Proprietors; and at the ſame time to preſerve the Credit of our Paper-Money, upon which the Proſperity of the Province ſo much depends. But as we have the Peace and Happineſs of the People whom we repreſent, very much at Heart; and in Conſideration, that Silver Coin, the Specie in which our Quit-rents are agreed to be paid, is ſcarce to be had: And as the Bill for re-emitting our Paper-Money, &c. now again return'd to us by the Governor, is a Bill of great Conſequence, as well for the Support of the Government, as the Trade of the Province, and will conduce very much to the Relief of the Inhabitants, and preſerving Peace among us, if the ſaid Bill may be paſt into a Law, without the Amendment propoſed by the Governor, the only Means to preſerve the Credit of our Paper-money: We have agreed to pay to our Proprietors the Sum of 1200 *l.* *as a Compenſation for the Loſs they have ſuſtained by being kept out of that Part of the old Quit-Rent of* One Shilling *Sterling* per Hundred *Acres, yet remaining unpaid; they receiving the ſame in our Bills of Credit, as made current by the Law of this Province, inſtead of Silver. And likewiſe in Conſideration, that our Proprietors will receive the ſaid Bills of Credit, as current, in Payment for their Quit-Rents, contracted for before the Year* 1732, *during the time limited in the Bill now before the Houſe, for re-emitting the Bills of Credit therein mentioned, we agree to pay to them the Sum of* 130 *l.* *annually, during that Time; which ſaid ſeveral Sums, the Houſe do humbly hope, will be accepted of, as an ample Satisfaction to our Proprietors, for the Diſappointment they may apprehend they have received or may receive, in not having their ſaid Quit-rents paid in Silver-money, as reſerved in their Grants to the People.* Signed by Order of the Houſe,

A. HAMILTON, *Speaker.*

3 *Month* 14. P. M.

A *MESSAGE* from the Governor to the Aſſembly.

Gentlemen,

THE Bill for re-emitting your Paper-Money, return'd to you a few Days ago, is indeed a Bill of great Conſequence to the Province; and had there been a Proviſion made in it for ſuch as have, and may ſuffer by it, my ſincere Regard for your Welfare would not have allowed me to have ſo long deny'd my Aſſent to it; but as Juſtice ought to be the Foundation of all Laws, and no Country can proſper without a ſtrict Regard to it, I am perſwaded that you will hold me excuſed for thinking myſelf obliged to contend for it. I ſhall upon all Occaſions join with you in the propereſt Meaſures for preſerving the Peace of the Province, and ſhall chearfully undertake whatever I think may be inſtrumental towards adjuſting the preſent Diſpute. I am glad to find in your laſt Meſſage the ſame Diſpoſition, and cannot doubt, had you known the true State of the Proprietors Quit-rents, but the Compenſation offer'd would have been as ample; as it was well intended; but as it falls very ſhort of what is already due, and will become due in the Term limited, I cannot promiſe myſelf, that they will accept of it: I therefore earneſtly recommend it to you to reconſider this Matter, and bring the Work you have already begun, to an equitable and happy Concluſion.

Philad. May 14. 1739. *GEORGE THOMAS.*

3 *Mo.* 15. A. M.

A *MESSAGE* from the Aſſembly to the Governor.

May it pleaſe the Governor,

THE Senſe the Governor is pleaſed to expreſs of the great Conſequence of the Bill now before the Houſe, and of his ſincere Regard for the Peace and Welfare of the Province, is very agreeable to us; and as this Bill is, in our Underſtanding, calculated to do equal Juſtice to all, who ſhall be obliged to receive the Bills of Credit thereby to be emitted, we hope the Governor will believe, that we entertain the ſame Sentiments of Juſtice with himſelf, and that we think it to be the beſt Support of all Government.

It is now, as it always has been, the Intent of the Legiſlature, ſince Bills of Credit were at firſt emitted in this Province, to keep them up, as near as poſſible, to the Value for which they were ſtruck; and if at any time they have fallen below that, we preſume it did not proceed from any Want of Sufficiency in the Security upon which they were emitted, but rather from the great Importation of Britiſh *Manufactures, which called for more Remittances than could readily be made to pay for them, which, in our Opinion, would have an Effect even upon Gold and Silver, tho' not in the ſame Degree.*

We are ſenſible it may be an Inconveniency to our Proprietors, to receive our Bills of Credit inſtead of Silver, and for that Reaſon it was we agreed to make them the Amends propoſed in our Meſſage to the Governor of the 10th *Inſtant, for any Diſappointments they might meet with in the Receipts of their Quit-Rents; and in this we did not proceed upon the Foot of Calculations, but as a Mark of that Regard and Eſteem the People of this Province have always expreſſed for that Honourable Family, and to make them eaſy in paſſing the Bill before the Houſe.*

Upon theſe Conſiderations the Houſe have proceeded, from which they find no Reaſon to recede: And as we are well aſſured every thing contributing to the Proſperity and Peace of the Province, will be always acceptable to our Proprietors, we do aſſure the Governor, there is nothing in the Power of the Legiſlature to do at this Time, that will more engage the Duty and Affection of the People to the Proprietary Family, nor add to their Senſe of the Governor's Regard to their Welfare, than his Aſſent to this Bill.

Signed by Order of the Houſe,

A. HAMILTON, *Speaker.*

Eodem die, P. M.

The Governor by his Secretary ſent down the following MESSAGE to the Houſe, *viz.*

Gentlemen,

IT will be needleſs now to repeat the Arguments, which have been made uſe of by me to induce you to agree to the Amendment relating to the Proprietary Quit-Rents, ſince the Gentleman, who now reſides with you, out of a pure Regard to your Happineſs, and from an Apprehenſion that the ſinking of your Money agreeable to former Acts, without a Power of re-emitting, would be greatly injurious to the Trade of the Province, is contented to make a Sacrifice of the Intereſt of his Family to the Good of the Publick, by accepting the Sums offered in your Meſſage of the 10th Inſtant. But as you ſeem not to have entered into any Calculation; in Juſtice to that Gentleman, I muſt inform you, that the Arrearages now due to the Proprietors amount to 11,000 *l.* Sterling, ſo that to make up the Difference, at 50 per Cent. only, there is due to them 1833 *l.* 6 *s.* 8 *d.* but at 70 per Cent. (which is the Rate of Exchange between *Philadelphia* and *London* at this Time) 4033 *l.* 6 *s.* 8 *d.* This is indeed ſuch a Condeſcenſion, as requires all the Returns of Duty and Affection in your Power to the Proprietary Family, and ought to be remember'd with the utmoſt Gratitude by the People. Your Senſe of it, I queſtion not, will engage you to prepare ſuch Bills, before you break up, to be paſſed with the Paper-Money Bill, as will prevent future Contention, and ſecure the Payment of their Quit-Rents, in a Method eaſy, and as little expenſive as poſſible to them and the People. *GEORGE THOMAS.*

The Bill paſſed; by which all the preſent Money is to be reprinted and re-emitted for 16 *Years, with the additional Sum of* 11,110 *l.* 5 *s. half the Intereſt of which additional Sum will be ſufficient to diſcharge the Allowance to the Proprietors: And the remaining Intereſt on the whole Sum to be current, being fully ſufficient to ſupport the Government without a Tax, no Man can poſſibly feel the leaſt Inconvenience by that Allowance. Add to this, that all Perſons renewing their Mortgages in the Loan-Office, or borrowing Money on this Act, may do it without the uſual Fees for drawing the Mortgage, Recording, &c. which are to be paid out of the Intereſt Money, much to the Eaſe of poor People. And the Proprietors agreeing to take our Paper-Money inſtead of Silver for their Arrearages, &c. at* 16 *d. for* 1 *s. Sterl. the Credit of the Money is by this Expedient ſupported and preſerved, which is a Matter of the utmoſt Importance to the whole Province.*
